NEW

Blue-fin

length 19'.3"
width 20.9"

Perfect beginner surfski.

Stable and comfortable. Go for it in the ocean now and have fun!

Mako XT

length 19'
width 19"

Best selling surfski worldwide!

Entry level racing ski or excellent downwind wave chaser.

Swordfish

length 20'
width 18"

90% of paddlers should be on this ski.

Compete or enjoy the exercise. The combination of stability, comfort and performance makes this ski stand alone in the marketplace.

Elite

length 21'
width 17"

Proven winner for "Elite" racers.

Downwind machine. Check results from around the world.

Elite SL

length 21'
width 17"

(Slim Line). A slimmer version of the Elite with a narrower nose and catch.

Slightly different feeling on the runs. Subtle, supple and awesome!

NEW

Elite GLIDE

length 21'
width 16.7"

Another top-end ski.

Not to replace the proven Elite or SL, but to compliment the flatter oceans. Turns out it rocks on the big runs, too!

NEW

Elite SPARK

length 21'
width 16.7"

Specifically designed for the smaller expert paddler.

170 lbs. or less. 6' tall and under.

No compromise on speed, just lower volume and shorter adjustability.

Fenn Spec Ski

length 19'
width 19"

Lifeguard surf/racing spec ski.

In and out through surf.

Spec weight 39.6 lbs.

**Built for speed...
Built to last**

Fenn surfskis are constructed in fiberglass vacuum,
hybrid and carbon vacuum layups.

Made proudly in South Africa

Sold in the USA by Ocean Paddlesports

Current stock varies. Prices upon request.
